

SAS CPD Update 2022-23 Number 18

# Survey Results 2023

Coming your way this week, a copy of this year's survey, complete with summary pages and a few trends since 2021 - thank you everyone, we will use your feedback to begin planning for the new school year!

In 2022-23 we planned for 42 CPD courses, and next year I hope to increase this. Remember, your subscription to SAS allows access to each and every course, as well as Conferences and Briefings.

## And the winner is...

Eastington School were the lucky winners of a staffroom box of chocolates, randomly selected from those who responded to the survey.

## Latest DfE Research Report

Perhaps you'll have had time over the Easter break to read this? If not you, then perhaps a governor? There are some good summaries online.

# Working lives of teachers and leaders – wave 1

Research report

April 2023

**Authors: Lorna Adams, Sarah Coburn-Crane, Alfie Sanders-Earley, Rachel Keeble, Harry Harris, James Taylor and Becky Taylor**

Pages 123 onwards are concerned with CPD - defined to respondents as "including any structured and/or pre-planned learning activities to develop and enhance teachers' and leaders' abilities, including activities such as training workshops, studying for a qualification, conferences and events, e-learning programs, coaching, mentoring, and lesson observation."

You can benchmark the amount of CPD received per teacher or school leader against a table on page 124 "

"Content of CPD

There was wide variation in the topics included in formal CPD during the last 12 months. Most common was student safeguarding (81%), followed by CPD activity on a subject or phase specific theme or pedagogy (60%). Other commonly covered topics included teaching students with SEND

(49%), student assessment practices (38%), curriculum design (30%), classroom management (25%) and using technology while teaching (24%)."

## School Website requirements

Did you miss this? I did! On the 15th December 2022 the DfE updated their requirements for school websites, with this tempting bit of text "We have updated example wording which schools can use to show that the most recent key stage 2 performance measures are for the 2018 to 2019 academic year."

## SAS Social Media update

We seem to have lost access to our SAS Facebook page - probably through lack of activity. If you know differently, please get in touch.

Our Twitter feed still exists, though!
