

SAS CPD Update

Number 22

Goodbye to...

Several head teachers are leaving headship at the end of the year.

Debbie and Dave have sorted a evening at Stroud Brewery to say farewell, as well as to have a social get together at the end of this academic year.

What better for our well being than a pizza and a pint or two!

Dave Poad (Chalford Hill) has booked two tables so there should be enough space but it would help to have an idea of numbers if you able to come can you let Debbie (Stroud Valley) know.

Thursday 20th July from 7pm

Pizza and a Pint Stroud Brewery

Safeguarding 1

After attending a strategic safeguarding session for governors and trustees with Jane Bee recently (and coming away with a few tweaks for herself) there were some important messages for governors / trustees in the strategic realm of safeguarding.

Debbie has booked a session with Jane on the 30th July (6pm).

If she can get 30 people together it'll cost £16 ph. There are around 15 places left, so please let her know if you'd like a space or two for a governor.

Safeguarding 2

It's time for the Annual 'Refresh' of "Keeping Children in Education Safe". Whilst there is no substitute for reading the whole thing, a good summary of changes, with recommended actions for schools, can be found here -

It's Subscription Time!

Katie (finance@cashsgreen-pri.gloucs.sch.uk) has issued invoices for your school's annual subscription (plus GAPH subscription) to SAS. If you've put money aside in your budget for this, please pay promptly.

The 'School Leaders Only' tier of membership is for those schools who wish to forgo the CPD side of SAS, retaining the Briefings and Conferences side only.

School leaving SAS are reminded that they will have to find another way to pay their GAPH subscription. We'll be sorry to see you go.

SUMMER TERM BRIEFING

The speakers and venue have all been confirmed.

You'll see from the agenda that the briefing is a morning session followed by lunch which will give time for clusters to get together in the afternoon.

As usual, we work on the assumption everyone is coming unless you let us know differently. That means that there is a cost to SAS. If you can't make it let me know and I'll adjust the lunches we pay for.

Any non attendance not cancelled will be invoiced to cover the cost of the wasted lunch.

8-30 - Registration Tea / Coffee & biscuits

Course attendance

Please, if it is within your power to do so, let the integra team (ststraining@southglos.gov.uk) and I know if you can't attend a booked course, at the earliest moment possible. One SAS teacher found she was the ONLY attendee on her course, due to cancellations and 'no-shows'. In the future we may well have to impose a minimum number and a 'cut-off' date, in order to ensure that SAS expenditure benefits the most staff members possible.

Ideas and Resources

Sarah Farrell (@SarahFarrellKS2) recently tweeted:

"Using sliders like this one can be useful when modelling multiplying and dividing by 10, 100 and 1000, to demonstrate that all the digits move the same amount of place value columns, to show how the value of each digit changes and to examine the purpose of a place holder." There is a simple 15 second video to share her example - find it here...
